

Do you know where  
**MOBILE WIRELESS**  
is available in your community?

Search for  
**LinkIDAHO**  
in your app  
store to install

**LinkIDAHO** wants to highlight mobile  
broadband availability across the state.  
How fast can you download data on your device across our state? This app can tell you!  
**DOWNLOAD THE APP AND JOIN THE EFFORT.**

To find out more about this project and other broadband work  
being done in your state visit [www.linkidaho.org](http://www.linkidaho.org)
